this is information that I need to get from IEP's:

-name of student

School and district, grade, How long in the program?

-Assessment of current performance, age & grade level (7yo testing at 2 years level?)

-Current program name, specific services rendered (speech, occupational therapy?)

-Curriculum modifications To help student

-Specific goals and measurements overtime

-other assessments needed and how parents can be involved, Additional programs and recommendations to help student.

Thanks.
